We confirm that we are not Large Corporate as per the applicability criteria given under the SEBI circular SBI/HO/DDHS/CIR/P/2018/144 dated November 26, 2018 due to the following reasons:

1. SAIL has obtained credit rating from 3 rating agencies viz. AA(-) by India Ratings, AA(-) by Care Ratings and AA by Brickwork Rating.
2. Rating by India Ratings is for the Bond Program of Rs.17,000 crore and rating by Care Ratings is for the Bonds Program of Rs.19,000 crore, against which a sum of Rs.17,000 crore have been raised through Bonds in earlier years. On the other hand rating by Brickwork Ratings is for the Bonds Program of Rs.5,000 crore, against which only a sum of Rs.2,000 crore has been raised through Bonds in earlier years. Rating from Brickwork Ratings was obtained in the FY 2016-17.
3. It may be seen that out of the total borrowing of Rs 51,481 crore (Provisional), only Rs 2000 crore has been raised against Brickwork Ratings which is only 3.9% of the total borrowings.
4. It may be appreciated that while raising funds through borrowings, the investors in the Bonds Program consider the lowest rating of the Company which is AA(-) in case of SAIL.
